

RS Aero Event Vrijbuitter

On November 6 and 7th, in association with the RS Aero NL class, we are organizing a fun Aero event to promote this modern boat at beautiful Loosdrecht waters.

Training

Saturday November 6th will be a training day with an experienced coach. Open to both existing Aero sailors and sailors that want to get to know the boat.

We are delighted that RS and Aquavitesse will provide some Aero's, so that newbie's will also be able to sail this nice and fast boat. And of course, first come first serve.

After the training on Saturday, we offer a delicious stew in our cozy clubhouse. Warm up and exchange experiences.

Racing

Because very few events have been sailed this year, due to all the restrictions, we are organizing several short races on Sunday November 7th, organized by the Vrijbuitter racing committee.

Registration

Register via the button [INSCHRIJVEN](#) and make your wishes known. We are looking forward to a nice sailing weekend.

Information:

- Saturday 11:00 a.m. briefing, boat rigged and dressed up.
- Sunday first signal 11:00 am
- Last signal on Sunday 3:00 pm, the aim is to sail 4 races
- We remain dependent on the applicable COVID restrictions, which we will of course adhere to.
- Costs:
 - Saturday training/introduction €30,00
 - Sunday races €25,00
 - Participants on both days pay €50,00
 - Saturday meal €17,50

- Address: G.W.V. The Vrijbouter, Oudloosdrechtsedijk 137, 1231 LT, Loosdrecht, NL
- Dogs are not allowed on the Vrijbouter premises
- Parking is limited due to winter storage of boats. More information about this will follow.

The NOR can be found in the menu. Further information will follow soon via a Whatsapp group.
